IEP MANUAL

WRITING IEPs FOR EDUCATIONAL BENEFIT

July 2012

Revised 08-14-2012

Introduction

This manual and accompanying IEP Forms were developed by members of the State SELPA Association to address the legal requirements of IDEA, state law, and the State Performance Plan as appropriate. This IEP is a recommended template to provide greater consistency for districts around California. The California Department of Education, Special Education Division also posts it on their website.

The items denoted in bold font on the IEP Forms and in the manual are required CASEMIS fields and must be completed.

FORM 1

 - Transition means transition from infant to preschool, preschool to kindergarten, elementary to middle, middle to high school, high school to transition placements, from public school setting to NPS or reverse, etc.
 - Pre-expulsion means an IEP meeting that is being held as part of or following a manifestation determination.
 - Interim means if the child has an IEP and transfers into a district from another district.
 - Other
9. Birthdate: Enter the exact birthdate.
10. Age: The student's age as of the IEP meeting date.
11. Gender: Enter M or F.
12. Grade: Enter the appropriate grade designation.

15. EL: Check if the student is an English learner or has been redesignated. (R-FEP)
16. Interpreter: Check if an interpreter is needed for the IEP meeting.
17. Student ID and SSID: The student ID number is automatically assigned through the SELPA SYSTEM II database (*aka SSII aka DA aka MIS aka CASEMIS*). The SSID is obtained by the district of service and is assigned through CALPADS. Each student must have an SSID. Social Security Number is optional.
18. Residency: This is the student's residential status.
19. Parent/Guardian Information: Enter the contact information for the parent/guardian. If the student resides in an out-of-home placement through a non-educational agency, put the parent contact information in the second contact area, if known.
20. District of Residence: This is the student's district of residence.
21. Residence School: Enter the child's neighborhood school.
22. Ethnicity: **Answer the two part question and then check** the appropriate ethnicity(s). **NOTE**: *Only four ethnicities can be listed. This should be the ethnicity designated by the parent on the student enrollment form at the school site.*
23. Disability: Mark primary disability with "P" and secondary disability with "S". The primary disability should be the one that has the most significant impact on the student's ability to access the general education environment. **NOTE**: *For funding purposes, low incidence disabilities marked as secondary will generate low incidence funding.*

If team determines the student has a *specific learning disability*, complete *Specific Learning Disability Team Determination of Eligibility*. Evaluation team members sign form as appropriate.

24. If the student is not eligible or no longer eligible for special education:
 - Document reason for decision and other options to address the student's educational needs on *IEP Team Comments Page* (Form 7).

25. How Disability Affects Educational Performance: Write a statement which describes the disability and its impact, i.e. *“auditory processing deficits adversely impact the student’s ability to complete activities within the general education setting”, “significant speech and language deficits interfere with the student’s ability to interact with other students in the preschool setting”*
27. Triennial (3 Year) Re-Evaluation: Check the appropriate box. If the triennial evaluation is due prior to the next IEP meeting; check one of the following: Summary of Progress and Current Educational Performance, Full Evaluation, or Other. If other is check specify measurement.

For Initial Placements Only (Ages 3 to 22 only – Do not include infant referral dates)

1. Has the Student Received Coordinated Early Intervening Services (CEIS) under the IDEA in the Past Two Years: Coordinated Early Intervening Services (CEIS) are coordinated interventions for students not currently identified as requiring special education who need additional academic and behavior support to succeed in a general education environment.
NOTE: Do not confuse this with early intervention.
Coordinated early intervening services include educational and behavioral evaluations, services and supports including scientifically based literacy instruction. If the student received coordinated early intervening services (CEIS) during the past two years, check “yes”. If you check “yes” then it is assumed that the district has moved 15% of their Federal Local Assistance (IDEA) funds to general education and that data is being collected on the students who have/are receiving CEIS. Coordinated early intervening services are only required for districts who have been identified as *significantly disproportionate*. Otherwise, check no.
2. Date of Initial Referral for Special Education Services: Enter the date of the initial referral to assess and determine eligibility for education services (ages 3-22).
Note: This date can change if a student is found eligible, then exits, and then is re-assessed and found eligible again.
3. Person Initiating the Referral: Select the person initiating the referral (Parent, Teacher, SST, Other School/District Personnel, Other).
4. Date District Received Parent Consent: Enter the date the district received parent signature/consent for initial evaluation.
5. Date of Initial Meeting to Determine Eligibility: Enter the date of IEP Team meeting to review initial evaluation and determine eligibility for special education.

↔ Educational Benefit Reminder ↔

- *Is all of the information complete and correct?*
- *How will the manager of the school MIS system be informed of any changes?*
- *Does the IEP clearly specify the child's disability(s)?*
- *Did the IEP Team identify how the child's disability affects his or her involvement and progress in the general curriculum or participation in appropriate activities for the preschool child?*

FORM 1A INDIVIDUAL TRANSITION PLAN (ITP)

This form must be completed in time to be in effect when the student reaches 16 years of age (i.e. at the annual review or via an addendum before the student's 16th birthday). The IEP Team may determine that consideration is appropriate for younger students. If the student is younger than age 16 and consideration of transition is not appropriate, skip IEP Forms 1A and 1B and go to IEP Form – 2 Present Levels of Academic Achievement and Functional Performance

1. Student was invited: The student (16 years and above or will be 16 years old before next IEP meeting) is to be invited on the meeting notification. If the student was invited mark YES. Keep the documentation in the student's file
2. Agency was invited: When appropriate support agencies need to be invited on the meeting notification, with the parent/guardian/student's permission. If an agency was invited mark YES. Keep the documentation in the student's file. At this time if it is not appropriate to invite an agency please note that in the meeting notes.
3. How the Student Participated in the Process: Describe how the student participated in the process by choosing the best answer in the pull down menu. The choices will be; Present at meeting, Interview Prior, Interest inventories, or questionnaire.
4. Age-appropriate transition assessments/instruments were used: Age-appropriate transition assessments/instruments are to be used and drive the ITP portion of the IEP. When used mark YES. The next step is to record the transition assessment information/results used to identify the student's preferences and interests for transition planning as they relate to his/her post secondary goals Assessment needs to be comprehensive NOT JUST Vocational. This information serves as Present Levels for the transition section of the IEP. The post secondary goals are what the student plans on doing upon graduation/completing school. The gap between the results of the transition assessment and the student's interests is the basis for the post secondary goals.

There are three areas for documenting Post Secondary Goals. The three areas are: Training or Education, Employment, and if appropriate Independent Living. For each area you will be including a post secondary goal based on age-appropriate assessment, an annual goal to support the post secondary goal, person/agency responsible for support, transition service codes, activities to support the post secondary goal, community experiences to support the post secondary goal, and any related services that may be needed to support the post secondary goal in that specific area. Complete this process for the top two areas on all students and the third area as appropriate.

5. Student's Postsecondary Goals: The team must include measurable postsecondary goals in Training or Education, Employment and if appropriate, Independent Living. Document what the student plans on doing upon exiting school (post secondary goals) in each of these areas. The post secondary goals will be based on the results of the age-appropriate transition assessments and the student's desired outcomes. Identify the specific areas of need to be addressed within the next year to assist the student in

meeting his/her post secondary goals. Indicate the annual goal number that is linked to the post secondary goal. (ex. Upon completion of school I will join the army or upon completion of school I will enroll in Shasta Community College PSG) link to annual English Language Arts goal on write a letter of application.) The key is to make the annual goal contextual and it can serve both as a content area goal and a transition goal.

6. Transition Services Codes: Chose an appropriate Transition Service Code that will be used to support the student's post secondary goal. (please see 800 code descriptions)
7. Activities to Support Transition Service: Identify different activities that will be employed to help the student achieve his/her post secondary goal. (career research paper, college application, job applications, resume writing, self-help unit on cooking, workability job etc.)
8. Community Experiences as Appropriate: Identify any activities in which the student will be participating in the community. (ex. Job shadowing, community based instruction, service learning, community service, youth group, scouts, ballet)
9. Related Services as Appropriate: Include any related services the student may need based on their disability that will help the student achieve his/her post secondary goal. (ex. transportation, career counseling, a DIS service)

You are to answer the four questions at the end of the page once you have completed page Form ITP 1A. These questions are a check to make sure the transition section of the IEP is complete.

FORM 1B INDIVIDUAL TRANSITION PLAN (ITP)

Beginning not later than the first IEP, to be in effect when the child turns 16, or younger if determined appropriate by the IEP team.

1. Units/Credits: Identify which courses are required for graduation. Add the additional courses related to goals and/or vocational interests. Update the units/credits the student has completed up to this meeting and then the units/credits the student still has to complete or has pending for a diploma/certificate including what the student will take in the next IEP cycle. Check if student is working toward a Diploma or Certificate. Include the projected date for Diploma or Certificate.
2. California High School Exit Exam: Enter the date and score on the ELA and Math section of the CAHSEE and indicate if the student passed or failed. In the CAHSEE Other section you can put if the student is getting an exemption, waiver, or taking the CAPA.
3. Transfer of Rights: On or before the student's 17th birthday, explain that he and/or she will assume all special education rights and protections upon turning 18 (unless a conservator has been appointed by the court). Review the *Notice of Procedural Safeguards* with the student. Have the student and parent sign this section.

◆ Educational Benefit Reminder ◆

- *Is there an appropriate measurable post secondary goal or goals that covers education or training, employment, and as needed, independent living?*
- *Are the post secondary goals updated annually?*
- *Are the post secondary goals based on age appropriate transition assessments?*

FORM 3A SPECIAL FACTORS

1. Assistive Technology: Does the student require assistive technology devices and services or low incidence services, equipment and materials to meet educational goals and objectives? Check yes or no. If yes, specify the type of devices, services, equipment, and/or materials needed.
NOTE: *Best practice – assistive technology should be addressed in the Supplemental Aids and Services section and/or in a goal.*
2. Low Incidence: *This applies only to the students with the following eligibility categories: DB, VI, OI, HH, and Deaf.* Low incidence equipment is indicated only if it is required to meet specific educational needs. Check yes or no. If yes, specify.
3. Blindness or Visual Impairment: Is the student blind or visually impaired? If the student is visually impaired, indicate whether instruction in Braille will be provided, and if not, why? If the student will not be using Braille he/she may use large print text or other modified input.
4. Deaf or Hard of Hearing: If the student is deaf or hard of hearing, consider the student's language and communication needs, opportunities for direct communications with peers and professional personnel in the student's language and communication mode, academic level, and full range of needs including opportunities for direct instruction in the student's language and communication mode. If the student is not deaf or hard of hearing, indicate "N/A".
5. English Learner: If the student is an English Learner complete the sections listed below:
 - a. Indicate if the student will take CELDT (reminder: all EL students take CELDT unless an alternative is designated by the IEP team via the IEP).
 - b. Is an alternative to CELDT designated by IEP team (for low functioning students)?
 - c. Will the student need accommodations or modifications on CELDT? If so, list them.
 - d. Will the student need primary language instruction (preview/review or directions given)
If yes, indicate the title of the staff member(s) who will provide this support.
 - e. Indicate what the language of instruction will be. It must be English unless the IEP team has designated otherwise.
 - f. Indicate who by title (such as general education teacher, special education teacher, etc.) will provide the student's ELD services. All EL students MUST receive ELD services unless a parental exception waiver has been submitted.
 - g. EL students get either English language Mainstream (ELM) or Structured English Immersion (SEI) services depending on their CELDT scores or proficiency in English. A student must get SEI if they score at the beginning or early intermediate level on CELDT or have "less than reasonable fluency" in English.
6. Behavior: Does the student's behavior impede learning? Check yes or no. If yes, describe how the behavior impedes learning. Specify positive behavior interventions, strategies,

and supports to address the behaviors. If there is a behavior goal check the box to indicate a goal is in the IEP. Check if there is a Behavior Support Plan or Behavior Intervention Plan and attach a copy. Check which type of plan is attached.

7. Areas of Need: Indicate areas of educational need that have been identified by the IEP Team based on assessments and present levels of academic achievement and functional performance and/or special factors. For every identified area of need there must a goal.

FORM 3B STATEWIDE ASSESSMENTS

1. Participation in State-wide Assessment Program (STAR): Indicate how the student will participate in STAR:

NOTE: THE IEP TEAM MAY NOT WAIVE STATE ASSESSMENTS.

The State Testing and Reporting (STAR) include the California Standards Test/CAT-6, California Modified Assessment (CMA), and the California Alternate Performance Based Assessment (CAPA). The IEP Team must determine which test will be the most appropriate for the student to take. If the student is taking CMA or CAPA, the IEP Team must have reviewed the criteria for taking the alternate assessment.

- Outside of testing range (before grade 2 and after grade 11) Check the box to indicate that the student is below grade 2 or above grade 11 and therefore is exempt from the STAR.
- For the areas of English Language Arts, Math, Science, and History/Social Science determine if the student will be taking CST/CAT-6 or CMA and document any allowable accommodations or modifications. Check the appropriate boxes.
NOTE: *A student may take a test in an area on the CST/CAT-6 and in another area on the CMA. If the student is taking CAPA he/she must take it in all areas. (Refer to <http://www.cde.ca.gov/ta/tg/sa/documents/matrix2012fnl.doc> for the Test Variation Matrix)*
- California Alternate Performance Assessment (CAPA). If the student has a significant cognitive impairment, indicate the CAPA Level that is most appropriate to measure student progress. If the student is taking the CAPA, document why the student cannot participate in the CST/CAT-6. Also state why participation in the CAPA is appropriate.
- For 3, 4, & 5 preschoolers note if the child will take DRDP_{-R} or DRDP *access*. If the child is at the developmental level of 3 years or below, the IEP Team should recommend the DRDP *access*. If the child needs adaptations in the preschool setting, then the IEP Team should document the adaptations. (Refer to <http://www.draccess.org> website for a list of adaptations.)
- Specify any accommodations or modifications the student may need to participate in other state/district wide assessments, including writing proficiencies, physical fitness tests, etc. This would also be the place to note if the student is taking the Standards-based Test in Spanish (STS). This test is required for English learners who will have been enrolled in a school in the United States less than 12 months on the first day of testing or who are receiving instruction in Spanish regardless of the length of time he she has been enrolled in school in the United States.

NOTE: *Do not put parent exemption on the IEP form as a reason that the student will not participate in statewide assessment. The IEP Team must address how the student would participate even if there is a parent exemption. The parent must file the exemption with the school site according to the district procedures for all students.*

- Physical Fitness Test (Grades 5, 7, 9 only): Specify if the student will be taking the Physical Fitness Test with accommodations or modifications.
- California High School Exit Exam (CAHSEE): Document if the student will be taking CAHSEE with or without accommodations. If the student will participate in CAHSEE using modifications a waiver is required after the student takes CAHSEE with modifications and passes. Currently there is an exemption for students with disabilities. Check the exemption box if the student will be using the exemption. If the student is taking CAPA check the appropriate box. If the student is outside the testing range check the appropriate box.

2. For English Learners Only

Check the appropriate assessment that the student will be taking. If other is checked document the assessment. For the CELDT, check the area of assessment and for the Standards Based Spanish Test, check the appropriate area of assessment and if the student will need accommodations.

 **Educational Benefit Reminder** 

- *Has the IEP Team addressed all the special considerations the student may require?*
- *Does the student demonstrate behavior(s) that impede learning, and if so, how will positive interventions, strategies, and supports be provided?*
- *Does the IEP Team agree on the areas of need to be addressed in goals as identified in the Present Levels of Academic Achievement and Functional Performance and in Special Factors?*
- *Is participation on state and district wide assessments, including accommodations and modifications, in accordance with state guidelines?*
- *Are alternate assessment(s), including the reasons, clearly noted if required?*

FORM 4A ANNUAL GOALS

IEP Form 4B is required for students who take the CAPA. These students require annual goals AND objectives. Best practice would be to use Form 4B for any students who are working on pre-academic or functional skills.

1. **Area of Need:** Indicate the area of need for each goal developed. These areas of need should match the “areas of need” on Form 3. (i.e., math, reading, behavior)
2. **Baseline:** Specify the student’s baseline performance. The baseline should describe the child’s current performance on the skills identified in the goal. The baseline should be a quantifiable description of classroom performance in the specified area. (i.e., reads 20 sight words, writes a simple paragraph of 2-4 sentences, etc.)
3. **Measurable Annual Goal #:** Enter the number of the annual goal.
4. **Standard:** First consider standards at the student’s chronological grade level. Also consider pre-requisite skills, levels of the cognitive domain, accommodations, modifications, and assistive technology. NOTE: If the student is taking CMA there must be a grade level standards based goal for each area where the student is taking the CMA.
5. **Annual Goal:** Annual goals must be measurable and relate to the baseline data. Goals must include:
 - Who student
 - Does What observable behavior (will add single digit numbers)
 - When by reporting date
 - Given What conditions (when given a paragraph to read)
 - How Much mastery, criteria (90% accuracy, 3 consecutive days)
 - How Will It Be Measured performance criteria (as measured by teacher data)
6. **Enables The student to be Involved and Progress in the General Curriculum:** Select if student is working on the goal written to California content standards.
7. **Addressed other Educational Needs Resulting from Disability:** Select if the student is working on other educational needs (i.e., behavior, social skills, self help, etc.). Remember, to be linguistically appropriate, the goals should align to the student’s assessed level on the CELDT (if appropriate) and the CDE English Language Standards.
8. **Secondary Transition Goal:** If the goal is related to secondary transition, check the box and then check the appropriate area: Education/Training, Employment, or Independent Living.
9. **Progress Reports:** Document the date and the summary of the progress.

◀ Educational Benefit Reminder ▶

- *Are there goals and objectives/benchmarks (if appropriate) for each area of need and vice versa?*
- *Are the goals and objectives/benchmarks measurable?*
- *Do the goals and objectives/benchmarks enable the student to be involved/progress in the curriculum?*
- *Are all other educational needs resulting from the disability addressed?*
- *If the student is an English Learner, are the goals and objective/benchmarks linguistically appropriate?*
- *Is the person(s) identified who is primarily responsible for implementing the goals and objectives/benchmarks, and monitoring progress?*

FORM 4B
ANNUAL GOALS AND BENCHMARKS

Use IEP Form 4A for students who are not taking CAPA. Objectives or benchmarks are no longer required for students who are accessing the general curriculum. Draft goals (and objectives or benchmarks, if required) may be developed prior to the meeting and reviewed with the team for changes. Annual goals must be measurable, and at least one annual goal must be written for each area of identified need.

Follow the directions for Form 4A and include measurable objectives.

Objectives are sub skills leading towards goal mastery (i.e. multiply 2 digits by 3 digits; analyze word problem to identify data needed to determine area of a rectangle.).

FORM 5A(1)
OFFER OF FAPE – SUPPLEMENTARY AIDS AND SERVICES

Special education and related services are determined at the IEP meeting only after goals and if appropriate objectives / benchmarks have been finalized. Placement decisions must be made in conformity with the least restrictive environment (LRE) provisions. These provisions direct that to the maximum extent appropriate, students with disabilities be educated with typically developing peers, and that special classes, separate schooling or other removal of students from the general education environment occurs only if the nature or severity of the disability is such that education in general education classes with the use of supplementary aids and services cannot be achieved satisfactorily. The placement must be made in the school that the student would attend if the student did not have a disability unless unique circumstances prevent this placement. Special education and related services and supplementary aids and services, should be based on peer-reviewed research to the extent practicable.

1. Supplementary Aids, Services and Other Supports for School Personnel, or for the Student, or On Behalf of the Student: Note supplementary aids and services and/or supports for the student, school personnel (consultation to teachers, preferential seating, enlarged text, etc.). Indicate if the supports are for the student or for school personnel by checking the appropriate box in the grid.

Team must also document modifications and/or accommodations that will be needed in order for the student to progress toward annual goals while participating in the general curriculum. Accommodations do not fundamentally alter or lower expectations or standards in instructional level, content, or performance criteria (extended time on a timed task, enlarged text, etc.). Modifications fundamentally alter or lower expectations or standards in instructional level, content, or performance criteria (alternate math assignment, etc.). Indicate who will be responsible for the supplementary aids and services, the start and end date, duration, frequency, and location.

FORM 5A(2)

OFFER OF FAPE – SPECIAL EDUCATION AND RELATED SERVICES

1. Service Delivery Options Considered: Discuss and document service delivery options considered. The team must first consider placement in the general education classroom with supports prior to recommending a more restrictive setting all or part of the day.

NOTE: *In determining the LRE, consideration must be given to any harmful effect on the child or quality of services that the child needs.*

Follow the continuum of services below as a guide to determining LRE:

- General Education Class
- General Education Class – Supplemental aids or services
- General Education Class – Some direct instruction by special education staff. Less than 21% of time out of the classroom for special education services.
- General Education Class – 21% to 60% of instructional day in a separate classroom.
- Some/or no instruction in General Education Class – 60% or more of the instructional day in a separate classroom (intensive services).
- Special day school – Separate facility (public or nonpublic) with no general education students on campus.
- Residential School.
- Hospital Program.
- Home Instruction.

3. Transportation: Check “No” if the IEP team determines that the student does not need special education transportation. Check “Yes” if the student will require special education transportation and specify the type of transportation (e.g. curb to curb, wheel chair bus, etc.)

4. Special Education and Related Services: The team needs to determine the special education and related services that will provide educational benefit and facilitate progress on the goals for the student (e.g. specialized academic instruction, health and nursing, language and speech, etc). Identify the type of service. Indicate if the service will be individual or group. If the service is to support secondary transition, check the secondary transition box. See CASEMIS codes below:

**CDE Directions on Coding Residential Placements
Frequency and Duration**

Residential Treatment Services Code (545): Mark residential services as "Daily" in "Frequency" and 1,440 minutes under "Duration" as the service is by its nature provided 24/7. Any other mental health service received (i.e. counseling, behavioral intervention, etc.), in addition to the residential care service, would reflect the specific frequency and duration of that service.

Note: Those districts that have historically reported “bundled” services only and have not listed each separate IEP services (SAI, DIS counseling, etc.) may continue to do so for the June 2012 reporting cycle. **Beginning in December 2012**, each related service must be identified in the IEP rather than “bundled” together as “day treatment” or “residential services”.

Coding for Residential Placements

When students are placed in residential placements by the IEP team it is critical that the IEP reflect this type of placement.

If a student is placed in a residential placement by an expanded IEP team, which includes county mental health, the following coding on the IEP should correspond.

The form is to be filled out as follows:

- Fill in the Student's Name, Birth date, and Date the form is completed.
 - Fill in the Student's Current Address.

 2. Fill in the date the assessment was to have been completed if the student had not moved from his/her previous district.
 3. Fill in the date the student began attending school in the new school district
 4. Fill in the name of the school district that will be responsible for completing the assessment. Indicate the date by which the assessment will be completed.

Note: The designated district/county office representative should discuss with the parent a reasonable timeline for completion of the assessment. Factors that should be taken into consideration include: the amount of progress made by the former district in completing the assessment, the need for the student to become acclimated to his/her new school and classroom routines, the number of days that have elapsed since the parent initially provided consent to the assessment.

The designated district/county office representative should sign and date the form. The parent's signature must be obtained on the form indicating the parent's consent to the timeline extension. If the parent declines to agree to an extension of the time to complete the assessment, then the new school district should consider shortening the proposed time period for the assessment and document its efforts to obtain parental consent for the extension. If no agreement can be reached on a timeline extension, then the district should complete the assessment as expeditiously as possible.
