Making a Difference

Sensory Supports "Make & Take"

In this hands-on training, participants will:

- Gain understanding and knowledge of different types of sensory challenges that can impact a child's participation in daily activities.
- Learn about sensory-seeking and sensory-avoidance behaviors and how these can impact regulation, attention span and ability to learn.
- Understand the impact of environment and how to implement strategies that can be used to support all children.
- Learn how to adapt simple activities for children with different types of sensory challenges.
- Make 3 activities to that can be adapted for use with children who have a variety of sensory challenges.
